

GREGORY K. SCOTT, PH.D.

PARTNER

(503) 473-0840 | gregory.scott@klarquist.com

OVERVIEW

Greg is a partner at the firm and a leader in the firm's Biotechnology patent group. He prepares and prosecutes U.S., foreign, and international patent applications. Greg also advises clients about patentability, inventorship, freedom-to-operate, and strategic product development.

Greg's expertise covers many areas of biotechnology, including virology, immunology, oncology, molecular biology, neurobiology, biochemistry, vaccines such as live-attenuated, subunit, and mRNA vaccines, monoclonal antibodies, antibody conjugates, chimeric antigen receptors (CARs), CAR T cells, cancer immunotherapy, gene therapy, and engineered proteins and peptides.

Greg joined Klarquist in 2007 as a summer associate and student law clerk. He became partner in 2018.

PROFESSIONAL EXPERIENCE

- ▶ Vollum Institute, Oregon Health & Science University | Graduate Student, 1999–2006; Laboratory Technician, 1997–1999 | Portland, OR
Responsible for design and completion of original biomedical research concerning structure and function of adaptor proteins and enzymes in the endosomal system.
- ▶ The Jackson Laboratory | Student and intern, 1996 | Bar Harbor, ME
Responsible for design and implementation of original genetics research concerning animal models of human atherosclerosis.
- ▶ HBS Products | Machinist, 1990–1995 (part-time) | Beverly, MA
Operated robotic and mechanical lathes in a machine shop.

PROFESSIONAL ACTIVITIES

- ▶ Member, American Intellectual Property Law Association
- ▶ Member, Licensing Executives Society
- ▶ Member, Oregon Patent Law Association

EDUCATION

- J.D., cum laude, Lewis & Clark Law School, 2010
- Ph.D., Neuroscience, Oregon Health & Science University, 2006
- B.S., Neuroscience, Bates College, 1997

ADMISSIONS

- Oregon, 2010
- U.S. Patent and Trademark Office, 2007 (Reg. No. 60,185)

PRACTICE AREAS

- Patents
- Intellectual Property Counseling

TECHNOLOGY AREAS

- Life Sciences & Biotechnology
- Medical Devices & Diagnostics
- Chemical
